

Hi all,

I'm hoping that a bit of music and singing might help cheer us all up during these very unusual times. I have recorded the backing tracks of 3 songs that the children have been taught in school and attached the lyrics as well as a couple of new songs that seemed appropriate under the circumstances. I thought it would be nice for the children to teach you the songs or sing along to them at home.

Obviously, there is no obligation to do this, but they say singing is good for the soul, so why not!?

Songs we know

Life is a wonderful thing

Every brand-new day

Every journey

New Songs

Now that summer has come

Time for everything

When it's a sunny day

If your children are feeling brave and would like to record themselves singing, we would love to hear it! Record them an email it to me and we could maybe put it on the website.

Take Care,

Miss Bence (and my piano!)
