Spelling (10 minutes a day)					

This timetable is only an idea of how you could organise the day for the children. We are required by the Government to organise 3 hours of learning for the children each day. Every child is different and will work at different speeds and levels of focus. Ultimately, you are in charge of the day so use what we provide in whatever way works for you.

Foundation subject options/suggestions for each afternoon will be sent separately to the whole school. These are optional and the days to complete them are only suggestions. Please do not feel any pressure to complete these activities. We appreciate that you are all trying to juggle your own work as well as that of your children.

Just remember, our aim is to support you and your children in the best way that we can, not add any pressure or cause any extra stress. If you are ever struggling to access anything that is prepared, or need it in a different format, please let me know and I will do everything I can do support you.
