Speak politely and listen carefully

Make school enjoyable for everyone

Act safely

Respect and care for each other

Tell someone your worries

Term 3, Newsletter 1 (2020-21)

7th January 2021

Dear Children

It was so lovely to see you on Monday when we came back to school after our Christmas break and you told me how good it was to see the teachers and each other.

On Monday evening, the Prime Minister told that there would be another lockdown so that we could be safe and it was very sudden. This means that most of you will not be coming to school at the moment.

Your teachers and teaching assistants are working in school and will be sending you home learning to do. They will also phone you and your parents each week and I am sure that you will look forward to speaking to them. We have some children in school because their parents are critical workers and the teaching team are looking after them too.

The teachers look forward to seeing the learning that you are doing and they will be emailing your parents regularly.

In our celebration assembly this week, I was going to share some very exciting news with you. Some of the children have taken music exams and have been extremely successful. They are: Fred (in Ridge Class) who took grade 1 piano, Milly (in Ridge Class) who took grade 1 alto saxophone, Elizabeth (in Ridge Class) who took grade 1 in flute, Evie (in Ridge Class) who took grade 2 in flute and Alex (in Haymead Class) who also took grade 2 in flute. I am sure that you will want to say congratulations to them all. Well done to all of our musicians.

I will write to you again soon and would love you to write to me too.

With best wishes

Ms Hatfield
